

# FIBER RINSE

## Detergent Rinse & Neutralizer

Fiber Rinse is a specially formulated rinsing solution designed to be used in the final step of wet cleaning. Fiber Rinse neutralizes alkalinity and removes detergent residues, leaving fibers pH-balanced, clean and soft. As a dye stabilizer, Fibre Rinse will restrict color bleeding and help prevent browning. Using Fiber Rinse leaves fibers and fabrics in an acid state after cleaning and will help to prevent browning. Use Fiber Rinse on Carpets, Upholstery, Urine, Road Salt, Calcium Chloride, Stabilize Dye, Browning Preventive, Rinsing Agent.

### ■ PHYSICAL PROPERTIES

APPEARANCE: Clear Pink Liquid  
SPECIFIC GRAVITY: 1.012  
ODOR: None  
pH (Conc.): 3.0 to 3.5  
FLASH POINT: N/A (WATER-BASED LIQUID)

### ■ PACKAGING

Fiber Rinse is available in 4x1 gallon cases, 5 gallon pails and 55 gallon drums.

### ■ ADDITIONAL INFORMATION

If you need additional information, please contact our corporate office at 816-471-3602. For a Material Safety Data Sheet go to [www.chemicaluniverse.com](http://www.chemicaluniverse.com).

### ■ DIRECTIONS

Use Fiber Rinse to eliminate carpet stains left by ice melting residue, use 1 to 3 ounces per gallon of water in carpet extraction equipment. A color fastness test in a hidden area should always be performed before extraction on carpet and upholstery.

Truck Mounts - Mix 1 quart per 5 gallons of water to make a Truckmount concentrate(20:1). Set chemical injection flowmeter at 2 gallons per hour, extract.

For Spray Rinse - Mix 1 oz. per gallon of water (128:1). Apply 1 gallon Ready-to-Use per 200-500 sq. ft. (depending on the pile density). Vacuum extract or rake into carpet for maximum performance.

### ■ SAFE STORAGE & HANDLING

Warning: This product is intended for Industrial and Institutional use. It can cause irritation and/or damage to eyes and skin. Avoid contact by wearing protective devices such as safety glasses and rubber gloves. If contact to eyes or skin, flush with water for 10-15 minutes. If irritation persists, seek medical attention. Always read the Material Safety Data Sheet for additional precautions before using this product.
