

LIQUID LIVE

Enzyme Digestant & Deodorant (Lavender Vanilla Fragrance)

Liquid Live Enzyme Digestant and Deodorizer is a blend of non-pathogenic, enzyme producing bacteria and special odor counteractants. It is intended as a general use deodorizer and organic waste digester. It is very effective at destroying odors and digesting organic waste such as urine, food wastes, and other organic material. Our Bacteria Digestant Deodorants are living bacterial suspensions, which attack solids such as grease, fats, proteins, carbohydrates, and sugars instantly destroying malodors by eliminating the source...digest grease and organic waste nature's way. Guaranteed salmonella free.
