

KWIK ORANGE

Heavy Duty Hand Cleaner With Grit

Kwik Orange Hand Cleaner is an all natural blend of citrus solvents, organic detergents and hand conditioning agents. A special blend of corn-based micro scrubbers are added for removal of tough ground in greases and oils. Kwik Orange can be used with or without water. Kwik Orange is formulated to be used in all automotive and truck repair facilities, Industrial manufacturing plants and other locations that require heavy duty hand cleaning. It is designed to remove grease, tar, oil, paint and other solvent based soils.

■ PHYSICAL PROPERTIES

■ ADDITIONAL INFORMATION

If you need additional information, please contact our corporate office at 816-471-3602. For a Material Safety Data Sheet go to www.chemicaluniverse.com.

■ DIRECTIONS

Apply a small amount of Kwik Orange Hand Cleaner onto the center of hands. Rub hands together to break up greases and oils. Rinse hands in warm water and dry. To use as a waterless system apply Kwik Orange to hands, rub hands together until all grease and oils are emulsified and wipe hands clean with an absorbent towel. Kwik Orange contains a Lanolin conditioning agent to help prevent the drying of skin and hands.

■ SAFE STORAGE & HANDLING

Caution: This is a non-hazardous product. It is intended for Industrial and institutional use. If used as directed, it exhibits no unusual safety precautions. Always read the Material Safety Data Sheet for additional precautions before using this product.
