■ ADDITIONAL INFORMATION

If you need additional information, please contact our corporate office at 816-471-3602. For a Material Safety Data Sheet go to www.chemicaluniverse.com.

■ DIRECTIONS

Velvet Cream is a ready to use lotion hand soap. No diluting is needed. Wet hands under warm tap water, apply Velvet Cream to hands and wash hands thoroughly. Use paper towels to dry hands. Paper towels should also be used to turn off water faucets and open the bathroom door while exiting restroom to reduce the risk of cross contamination. Read complete directions on product label. Use regularly to keep hands clean and soft. Velvet Cream contains skin conditioning agents to keep hands soft even with repeated use.

■ SAFE STORAGE & HANDLING

Caution: This is a non-hazardous product. It is intended for Industrial and institutional use. If used as directed, it exhibits no unusual safety precautions. Always read the Material Safety Data Sheet for additional precautions before using this product.

Refillable soap dispensers should periodically be cleaned out before refilling to prevent the growth of bacteria.
