

BIG ORANGE

D-Limonene Degreaser

Big Orange is a unique blend of natural-based solvents and cleaning agents specifically designed for the removal of asphalt, tar and grease. It can also be used in the maintenance of lift stations and grease traps. Big Orange can also be used as a glue and mastic remover. Cleans and degreases all surfaces and tools after application. Easy to use - just pour in. Will not freeze.

Big Orange is available in 4x1 gallon cases, 5 gallon pails and 55 gallon drums.

■ ADDITIONAL INFORMATION

If you need additional information, please contact our corporate office at 816-471-3602. For a Material Safety Data Sheet go to www.chemicaluniverse.com.

■ DIRECTIONS

FOR GREASE TRAPS: To keep clean, fresh smelling, and free flowing, add enough product to maintain a 1 to 3 inch layer above the water level. (Two quarts will cover 60 square inches at a depth of inches.) If trap is heavily loaded with grease, it must be cleaned out manually, before adding this product.

FOR MASTIC REMOVAL: Liberally apply Big Orange to the floor surface. Let product sit until the adhesive or mastic is liquified. Remove by scraping solution to a central point and adding clay-based oil dry to absorb the solution. Dispose of the solution in accordance to your state and local regulations

■ SAFE STORAGE & HANDLING

WARNING: COMBUSTIBLE: DO NOT USE NEAR AN OPEN FLAME. HARMFUL IF SWALLOWED. This product is intended for Industrial and institutional use. It can cause irritation and/ or damage to eyes and skin. Avoid contact by wearing protective devises such as safety glasses and rubber gloves. If contact to eyes or skin, flush with water for 10 - 15 minutes. If irritaion persists, seek medical attention.

Always read the Material Safety Data Sheet for additional precautions before using this product.
