

FUSION HD

All Natural Cleaner & Degreaser

Fusion HD is an environmentally preferred general purpose cleaner, for all washable surfaces. Fusion HD utilizes a new generation of “Green” surfactant technology that allows it to clean and degrease without the use of Butyl solvents or a high alkaline pH. Fusion HD may be applied with a mop or brush, dip or soak, automatic scrubber and high pressure cleaning equipment. Removal of organic soils and protein films or fatty deposits is rapid and complete.

■ PHYSICAL PROPERTIES

APPEARANCE: Clear Green Liquid
SPECIFIC GRAVITY: 1.023
ODOR: Characteristic
pH (Conc.): 8 to 10
FLASH POINT: N/A (WATER-BASED LIQUID)

■ PACKAGING

Fusion HD is available in 4x1 gallon cases, 5 gallon pails and 55 gallon drums.

■ ADDITIONAL INFORMATION

If you need additional information, please contact our corporate office at 816-471-3602. For a Material Safety Data Sheet go to www.chemicaluniverse.com.

■ DIRECTIONS

Equipment: Use Fusion HD with existing foam generating equipment, automatic scrubbers or high pressure wash systems.

Concentration: 2-12 ounces per gallon of water.

Light Soils: Dilute up to 100 parts water.

Medium Soils: Dilute up to 30 parts water.

Heavy Soils: Dilute up to 5 parts water.

Fusion HD is designed to be a low foaming product for use in Automatic Scrubbers, Mop Buckets, and High Pressure Washers. Fusion HD is the perfect product for an automatic scrubber for cleaning and degreasing concrete floors where a butyl product doesn't work.

■ SAFE STORAGE & HANDLING

Warning: This product is intended for Industrial and institutional use. It can cause irritation and/or damage to eyes and skin. Avoid contact by wearing protective devices such as safety glasses and rubber gloves. If contact to eyes or skin, flush with water for 10-15 minutes. If irritation persists, seek medical attention. Always read the Material Safety Data Sheet for additional precautions before using this product.
