

# FUSION RTU

## All Natural Cleaner & Degreaser

Fusion RTU is an environmentally preferred general purpose cleaner, for all washable surfaces. Fusion RTU utilizes a new generation of “Green” surfactant technology that allows it to clean and degrease without the use of Butyl solvents or a high alkaline pH. Fusion RTU may be applied with a mop or brush, dip or soak, automatic scrubber and high pressure cleaning equipment. Removal of organic soils and protein films or fatty deposits is rapid and complete.
