

ZIPPER POWDERED CLEANER

Powdered Floor Cleaner

Zipper is a heavy-duty, powdered alkaline concrete cleaner formulated for heavy duty degreasing and cleaning action. Zipper cuts through heavy deposits of grease and grime quickly, and its deep-penetrating action penetrates surfaces to lift away embedded soil. Zipper can be used with hot or cold, and hard or soft water. Formulated with a built-in color indicator to indicate strength of solution and help identify areas to be rinsed.

■ PHYSICAL PROPERTIES

APPEARANCE: Orange Powder

SPECIFIC GRAVITY: 1.023

ODOR: Characteristic

pH (Conc.): 12 to 14

FLASH POINT: N/A (NON FLAMMABLE POWDER)

■ PACKAGING

Zipper Powder is available in a 50#, 100#, and a 400# container.

■ ADDITIONAL INFORMATION

If you need additional information, please contact our corporate office at 816-471-3602. For a Material Safety Data Sheet go to www.chemicaluniverse.com.

■ DIRECTIONS

DRY METHOD

Wet floor completely. Spread Zipper around the area to be cleaned, using more on greasy areas. Allow soap to stand on the floor for several minutes. Scrub with long handled stiff bristle brush or use a stiff brush on a 175 RPM buffer. Rinse thoroughly with clear water.

SOLUTION METHOD

Prepare a soap solution of 1 cup of Zipper in a mop bucket (approx. 4 gallons of water). Mop solution on to floor and allow to stand for several minutes. Scrub with stiff bristled brush or 175 RPM buffer paying extra attention to heavily soiled areas. Rinse thoroughly with clear water.

■ SAFE STORAGE & HANDLING

Warning: This product is intended for Industrial and institutional use. It can cause irritation and/ or damage to eyes and skin. Avoid contact by wearing protective devices such as safety glasses and rubber gloves. If contact to eyes or skin, flush with water for 10-15 minutes. If irritation persists, seek medical attention. Always read the Material Safety Data Sheet for additional precautions before using this product.
