

SHINE UP

Wood & Stainless Steel Cleaner

Shine Up is a special blend of organic and natural solvents formulated to give fine wood furniture a natural glow. Shine Up is designed to give a high gloss finish that actually repels dust, moisture, fingerprints and smudges. Shine Up is ideal for cleaning and polishing kitchen counters and cabinets, wood paneling, desktops, stainless steel, leather and other surfaces.

pH (Conc.): 6 to 8
FLASH POINT: 160° F

■ PACKAGING

Shine Up is available in 12x32 oz. cases and 4x1 gallon cases.

■ ADDITIONAL INFORMATION

If you need additional information, please contact our corporate office at 816-471-3602. For a Material Safety Data Sheet go to www.chemicaluniverse.com.

■ DIRECTIONS

Apply Shine Up to a cloth or towel and apply to surface. Continue to wipe product on surface until the product has been absorbed. Polish to a high gloss with a clean, soft cloth. For hard to reach areas, spray polish directly on cloth.

For best results, remove all soils and contaminants from surface. Apply Shine Up liberally onto a cloth or surface to be cleaned and polished. After applying Shine Up to the surface, polish with a clean soft cloth.

Do not use Shine Up on solvent-sensitive surfaces such as acrylic, styrene plastics or latex painted surfaces. Do not over-spray Shine Up onto surfaces that will be walked on, as they can become slippery.

■ SAFE STORAGE & HANDLING

WARNING: COMBUSTIBLE: DO NOT USE NEAR AN OPEN FLAME. HARMFUL IF SWALLOWED. This product is intended for Industrial and institutional use. It can cause irritation and/ or damage to eyes and skin. Avoid contact by wearing protective devices such as safety glasses and rubber gloves. If contact to eyes or skin, flush with water for 10 - 15 minutes. If irritation persists, seek medical attention. Always read the Material Safety Data Sheet for additional precautions before using this product.
