

# ENZY-CLEAN

## Enzyme Enhanced Cleaner & Deodorizer

Enzy-Clean is a high performance, bacterial-enriched floor cleaner, odor eliminator, and grease digester with a pleasant fresh scent. It is recommended for use in food service areas, schools, hotels, hospitals, restrooms, and shower rooms. No rinse is required. The unique chemistry provides bleaching action that brightens surfaces as it cleans and leaves surfaces sparkling clean with a pleasant scent. It is ideal for cleaning concrete, ceramic tile, quarry tile, grout and brick and rubber mats with a floor machine or mopping. Inherent biological action continues to clean between regularly scheduled cleanings to help keep grease accumulations to a minimum.
