

NU-GLO

Stainless Steel Cleaner & Polish

NU-GLO is a proprietary blend of natural oils and solvents designed to clean and polish metal surfaces such as stainless steel, aluminum, and other hard surfaces. NU-GLO will remove dirt, grease and other soils from the surface while leaving a brilliant shine. NU-GLO is a blend of natural oils and solvents designed to clean and polish metal surfaces such as stainless steel, aluminum, and other hard surfaces. NU-GLO will remove dirt, grease and other soils from the surface while leaving a brilliant shine.

■ PHYSICAL PROPERTIES

APPEARANCE: Clear Liquid

SPECIFIC GRAVITY: .938

ODOR: Citrus

pH (Conc.): N/A

FLASH POINT: >200° F

■ PACKAGING

NU-GLO is available in 12x32 oz. cases and 4x1 gallon cases.

■ ADDITIONAL INFORMATION

If you need additional information, please contact our corporate office at 816-471-3602. For a Material Safety Data Sheet go to www.chemicaluniverse.com.

■ DIRECTIONS

For best results, remove all soils and contaminants from surface. Apply NU-GLO liberally onto a cloth or surface to be cleaned and polished. After applying NU-GLO to the surface, polish with a clean soft cloth.

Do not use NU-GLO on solvent-sensitive surfaces such as acrylic, styrene plastics or latex painted surfaces. Do not over-spray NU-GLO onto surfaces that will be walked on, as they can become slippery.

■ SAFE STORAGE & HANDLING

SAFETY: HARMFUL IF SWALLOWED.

This product is intended for Industrial and institutional use. It can cause irritation to eyes and skin. Avoid contact by wearing protective devices such as safety glasses and rubber gloves. If contact to eyes or skin, flush with water for 10-15 minutes. If irritation persists, seek medical attention. Always read the Material Safety Data Sheet for additional precautions before using this product.
