

# OVEN LOVEN

## Oven & Grill Cleaner

Oven Loven is a concentrated cleaner/degreaser designed to remove carbon deposits, baked-on food and other stubborn soils from ovens, fryers, bakeware and barbecue grills. This powerful caustic formula softens and loosens tough deposits quickly and easily, without scrubbing or scraping, allowing you to just wipe the residue away with a sponge or cloth. Oven Loven can be used in both hot or cold ovens.

### ■ PHYSICAL PROPERTIES

APPEARANCE: Clear Dark Yellow Liquid  
 SPECIFIC GRAVITY: 1.023  
 ODOR: Butyl  
 pH (Conc.): 12 to 14  
 FLASH POINT: N/A (WATER-BASED LIQUID)

### ■ PACKAGING

Oven Loven is available in 12x 32 oz. cases and 4x1 gallon cases.

### ■ ADDITIONAL INFORMATION

If you need additional information, please contact our corporate office at 816-471-3602. For a Material Safety Data Sheet go to [www.chemicaluniverse.com](http://www.chemicaluniverse.com).

### ■ DIRECTIONS

1. Apply product liberally to surface to be cleaned.
2. Let stand 5-10 minutes.
3. Wipe clean with a wet sponge or cloth.
4. For extra heavy soil load, repeat the steps listed above.

Do not apply directly onto light bulbs, electrical connections, heating elements, thermostats or switches.

For overnight cleaning, use only in a cold oven. Spray the oven surfaces and close the oven door and allow to stand overnight. Then wipe clean with a wet sponge. Rinse thoroughly with potable water.

### ■ SAFE STORAGE & HANDLING

Warning: This product is intended for Industrial and institutional use. It can cause irritation and/or damage to eyes and skin. Avoid contact by wearing protective devices such as safety glasses and rubber gloves. If contact to eyes or skin, flush with water for 10-15 minutes. If irritation persists, seek medical attention. Always read the Material Safety Data Sheet for additional precautions before using this product.
