

# DE-STAIN

## Laundry Chlorine Destainer

A powerful chlorine bleach which effectively destains most protein soils. Most effective when used at high temperatures (140°-160° F). Note: Not for use on natural silk, wool, and nylon. De-Stain removes many of the most difficult to remove stains. Provides powerful rapid stain removal. It renews fabric brightness and whiteness lost after repeated launderings due to graying or yellowing and eliminates odors from fabric. De-Stain contains 12% available chlorine for economical use. Mixes readily and goes to work immediately. Will not clog automatic injectors.

### ■ PHYSICAL PROPERTIES

APPEARANCE: Clear Amber Liquid

SPECIFIC GRAVITY: 1.023

ODOR: Bleach

pH (Conc.): 12 to 14

FLASH POINT: N/A (WATER-BASED LIQUID)

### ■ PACKAGING

De-Stain is available in a 5 gallon pail and a 55 gallon drum.

### ■ ADDITIONAL INFORMATION

If you need additional information, please contact our corporate office at 816-471-3602. For a Material Safety Data Sheet go to [www.chemicaluniverse.com](http://www.chemicaluniverse.com).

### ■ DIRECTIONS

Use in the wash cycle at 6 ounces per 100 pounds (100-150 ppm chlorine) of laundry. Most effective when used at 140°-160° F. Recommended for use with automatic laundry equipment in: hotels, motels, hospitals, nursing homes, commercial laundries, restaurants, and other on-premise laundries.
