### ■ PACKAGING

Stone Soap is available in 4x1 gallon cases, 5 gallon pails and 55 gallon drums.

### ■ ADDITIONAL INFORMATION

If you need additional information, please contact our corporate office at 816-471-3602. For a Material Safety Data Sheet go to [www.chemicaluniverse.com](http://www.chemicaluniverse.com).

### ■ DIRECTIONS

Application:

1. Dilute 1 to 1.2 oz of stone soap per gallon of water.
2. Clean floor with mop and bucket or autoscrubber application.
3. After cleaning allow the Stone Soap to dry.
4. Floor may be machine buffed with a white pad to improve the gloss.

Quick Tip: Change the solution as needed to make certain only clean solution is being applied to the floor. Occasionally clean floors with Ultimate Sone & Grout to keep your floors looking their best!

### ■ SAFE STORAGE & HANDLING

Caution: This product is intended for Industrial and Institutional use. Although this is a mild cleaning agent, it can cause irritation to eyes and skin. Avoid contact by wearing protective devices such as safety glasses and rubber gloves. If contact to eyes or skin, flush with water for 10-15 minutes. If irritation persists, seek medical attention. Always read the Material Safety Data Sheet for additional precautions before using this product.
