

DOUBLE PLAY

Heavy Duty Powdered Vehicle Wash

Double Play Powdered Vehicle Cleaner is a blend of alkaline builders, organic detergents and water conditioning agents. It is formulated to provide effective vehicle cleaning at high dilutions. Double Play is intended for use as a water diluted product for pressure wash systems. It is a highly alkaline solution. It is not intended as a hand wash system. If hand washing is performed, be sure to protect skin and eyes from solution.

Meter at 48:1 to 75:1 depending on the intensity of the soils, road film and bugs.

■ SAFE STORAGE & HANDLING

Caution: This product is intended for Industrial and Institutional use. Although this is a mild cleaning agent, it can cause irritation to eyes and skin. Avoid contact by wearing protective devices such as safety glasses and rubber gloves. If contact to eyes or skin, flush with water for 10-15 minutes. If irritation persists, seek medical attention. Always read the Material Safety Data Sheet for additional precautions before using this product.
