

EURO WASH

Premium Vehicle Wash Liquid

Euro Wash is a highly concentrated blend of heavy duty surfactants, formulated to deliver a rich foam for the most effective cleaning and customer satisfaction. Euro Wash is a premium grade car wash. It is a highly concentrated product that has a balanced pH designed to be soft on your skin for manual hand washing of vehicles. Euro Wash's rich foam removes grease, oil, road dirt, film, and dust. Euro Wash is designed to work with hot or cold water. This special blend of surfactants will rinse easily without leaving behind soap residue. This formula also works well in hard water due to its strong chelating agents.
