

HI-CON

All-Purpose Cleaner

HI-CON All-Purpose Cleaner is designed for regular damp mopping of floors finished with natural wax or synthetic finishes. It contains powerful surfactants that lift and remove dirt, grease and other soils without leaving a dulling film. Ideal for everyday cleaning because the neutral ph when diluted assures that finishes are not dulled or damaged. Hi-Con is the perfect product to use in your floor finish scrub and re-coat process. Designed to be gentle enough for a daily neutral cleaner but tough enough to remove the greases and soils needed to clean floor finish before re-coating.

■ PHYSICAL PROPERTIES

APPEARANCE: Clear Violet Blue Liquid
 SPECIFIC GRAVITY: 1.214
 ODOR: Butyl
 pH (Conc.): 11.5 to 12
 FLASH POINT: N/A (WATER-BASED LIQUID)

■ PACKAGING

HI-CON is available in 4x1 gallon cases, 5 gallon pails and 55 gallon drums.

■ ADDITIONAL INFORMATION

If you need additional information, please contact our corporate office at 816-471-3602. For a Material Safety Data Sheet go to www.chemicaluniverse.com.

■ DIRECTIONS

For Daily Cleaning And Maintenance: Dilute HI-CON 64:1 (2 ounces per gallon)

Scrub with mop or autoscrubber to remove spots and spills, picking up solution as you clean. If mop cleaning heavy soil, rinse as necessary and change cleaning solution frequently. Allow to dry.

For Scrubbing And Re-coating: Dust mop floor. Dilute HI-CON 4 -8 ounces per gallon depending on the condition of the floor. Scrub with blue pad and automatic or single disk machine. Pick up cleaning solution with scrubber or wet vac. Damp mop any residues with clear water. Allow floor to dry. When floor is dry, add preferred number of coats of floor finish.

■ SAFE STORAGE & HANDLING

Warning: This product is intended for Industrial and Institutional use. It can cause irritation and/or damage to eyes and skin. Avoid contact by wearing protective devices such as safety glasses and rubber gloves. If contact to eyes or skin, flush with water for 10-15 minutes. If irritation persists, seek medical attention. Always read the Material Safety Data Sheet for additional precautions before using this product.
