 pH (Conc.): N/A
 FLASH POINT: <180° F

■ PACKAGING

Maintainer Tacker is available in 4x1 gallon cases, 5 gallon pails and 55 gallon drums.

■ ADDITIONAL INFORMATION

If you need additional information, please contact our corporate office at 816-471-3602. For a Material Safety Data Sheet go to www.chemicaluniverse.com.

■ DIRECTIONS

Damp mop floors with waterless cleaner. Removes rubber marks, black marks, spots, soft drinks, adhesive and other contaminants from floor surface. Maintainer Tacker will also soften gum so that it may be removed with a putty knife.

To Clean before re-sealing: Pour Maintainer Tacker directly onto the floor and scrub with a buffer equipped with a synthetic floor pad. Pick up the dirty solution with a wet vac. Mop the floor after dirty solution is picked up to allow for a streak free floor. Floors can be resealed with a solvent-based finish after cleaning with Maintainer Tacker.

■ SAFE STORAGE & HANDLING

Caution: This product is intended for Industrial and Institutional use. Although this is a mild cleaning agent, It can cause irritation to eyes and skin. Avoid contact by wearing protective devises such as safety glasses and rubber gloves. If contact to eyes or skin, flush with water for 10-15 minutes. If irritation persists, seek medical attention. Always read the Material Safety Data Sheet for additional precautions before using this product.
