

WOOD KLEEN

Waterless Cleaner For Wood Floors

This product is a waterless liquid cleaner formulated specifically for wood floors and other wood surfaces without using soaps, detergents or water. This product readily removes rubber burns, chewing gum, tar, black marks, soft drink rings, dirt and most soils. Won't cause warping or buckling. Wood Kleen can be used as a periodic cleaner for wood floor and gymnasiums. Wood floors can be scrubbed or tacked with Wood Kleen before an event to maximize the cleanliness and to insure a dust free anti-slip surface.

■ ADDITIONAL INFORMATION

If you need additional information, please contact our corporate office at 816-471-3602. For a Material Safety Data Sheet go to www.chemicaluniverse.com.

■ DIRECTIONS

Damp mop floors with waterless cleaner. Use heel of the mop on stubborn spots. Removes rubber marks, black marks, spots, soft drinks, adhesive and other contaminants from floor surface. Wood Kleen will also soften gum so that it may be removed with a putty knife.

To Clean Before Re-sealing: Pour Wood Kleen directly onto the floor and scrub with a buffer equipped with a synthetic floor pad. Pick up the dirty solution with a wet vac. Mop the floor after dirty solution is picked up to allow for a streak free floor. Floors can be resealed with a solvent-based finish after cleaning with Wood Kleen.

■ SAFE STORAGE & HANDLING

Caution: This product is intended for Industrial and Institutional use. Although this is a mild cleaning agent, it can cause irritation to eyes and skin. Avoid contact by wearing protective devices such as safety glasses and rubber gloves. If contact to eyes or skin, flush with water for 10-15 minutes. If irritation persists, seek medical attention. Always read the Material Safety Data Sheet for additional precautions before using this product.
