

PHYSICAL PROPERTIES

Appearance: Orange Liquid

Specific Gravity: 0.80

Odor: D-limonene

Ph (Conc.): N/A

Flash Point: 160°F (71°C) estimated.

PACKAGING

12x32 oz, 4X1 gal

Shine Up

WOOD & STAINLESS STEEL CLEANER

ABOUT THIS PRODUCT

Shine Up is a special blend of organic and natural solvents formulated gives fine wood furniture a natural glow. Shine Up is designed to give a high gloss finish that actually repels dust, moisture, fingerprints and smudges. Shine Up is ideal for cleaning and polishing kitchen counters and cabinets, wood paneling, desktops, stainless steel, leather and other surfaces.

DIRECTIONS

Apply Shine Up to a cloth or towel and apply to surface. Continue to wipe product on surface until the product has been absorbed. Polish to a high gloss with a clean, soft cloth. For hard to reach areas, spray polish directly on cloth.

For best results, remove all soils and contaminants from surface. Apply Shine Up liberally onto a cloth or surface to be cleaned and polished. After applying Shine Up to the surface, polish with a clean soft cloth.

Do not use Shine Up on solvent-sensitive surfaces such as acrylic, styrene plastics or latex painted surfaces. Do not over-spray Shine Up onto surfaces that will be walked on, as they can become slippery.

PRECAUTIONARY STATEMENTS

Prevention: Keep away from flames and hot surfaces. No smoking. Wear protective gloves/eye protection/face protection. Wash hands and exposed skin thoroughly after handling. **Response:** In case of fire: Use water fog, foam or carbon dioxide (CO₂) to extinguish. **IF ON SKIN:** Wash with plenty soap and water. Specific treatment: See section 4 on the Safety Data Sheet. If skin irritation occurs: Get medical advice/attention. Take off contaminated clothing and wash it before reuse. **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention. **IF SWALLOWED:** Immediately call a POISON CENTER/doctor/medical professional. Do NOT induce vomiting. **Storage:** Store in a well-ventilated place. Keep cool. Store locked up. **Disposal:** Dispose of contents/container in accordance with local/regional/ national/ international regulations.
