

PHYSICAL PROPERTIES

Appearance: Light Amber Liquid

Specific Gravity: 0.85

Odor: Characteristic

Ph (Conc.): N/A

Flash Point: 100°F (37.8°C) estimated.

PACKAGING

4X1 gal, 5 gal, 55 gal

Stone Guard ES

COLOR ENHANCING IMPREGNATING SEAL

ABOUT THIS PRODUCT

Stone Guard ES is a highly effective solvent based enhancing sealer to help enhance and protect your stone surfaces from water and oil born stains. This product provides deep protection for your stone from water and oil born staining. It is safe to use on all stone surfaces. Always test a small area to check for desired outcome.

Equipment: Brush, roller, cloth, sponge, or sprayer

Coverage: 300-1500 ft/gallon

DIRECTIONS

Preparation: Surface must be clean, dry and free of coatings or sealers. Clean/Strip the floor first with a stripper degreaser

Apply using a brush, roller, cloth, sponge, or sprayer. Buff dry any excess sealer that does not penetrate within 3 to 5 minutes with an absorbent towel or carpet bonnet. Highly porous surfaces may require a second or third application to give full protection. Wait a minimum of 1 hour between applications.

Cure Time: May be opened for foot traffic in 2 hours. Achieves a full cure in 24 hours.

Limitations: Surface temperature must be between 50°–90° F (10°–32° C). Will not prevent etching from acid or caustic chemicals. May damage non-recommended surfaces—protect from contact. May darken some materials.

PRECAUTIONARY STATEMENTS

Prevention: Keep away from heat/sparks/open flames/hot surfaces. No smoking. Keep container tightly closed. Ground/bond container and receiving equipment. Use explosion-proof electrical/ventilating/ lighting/ equipment. Use only non-sparking tools. Take precautionary measures against static discharge. Wear protective gloves/ eye protection/face protection. Wash hands and exposed skin thoroughly after handling. **Response:** IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. In case of fire: Use dry sand, dry chemical or alcohol-resistant foam for extinction. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention. IF SWALLOWED: Immediately call a POISON CENTER/doctor/medical professional. Do NOT induce vomiting. **Storage:** Store in a well-ventilated place. Keep cool. Store locked up. **Disposal:** Dispose of contents/container in accordance with local/ regional/national/international regulations.
