

## PHYSICAL PROPERTIES

**Appearance:** Clear Liquid

**Specific Gravity:** 0.80

**Odor:** Cherry

**Ph (Conc.):** N/A

**Flash Point:** 150°F (66°C) estimated.

## PACKAGING

4X1 gal, 5 gal, 55 gal

# Wood Kleen

## WATERLESS CLEANER

### ABOUT THIS PRODUCT

This product is a waterless liquid cleaner formulated specifically for wood floors and other wood surfaces without using soaps, detergents or water. This product readily removes rubber burns, chewing gum, tar, black marks, soft drink rings, dirt and most soils. Won't cause warping or buckling.

Wood Kleen can be used as a periodic cleaner for wood floor and gymnasiums. Wood floors can be scrubbed or tacked with Wood Kleen before an event to maximize the cleanliness and to insure a dust free anti-slip surface.

**For Use On:** All types of wood surfaces and wood floors, including gymnasium, parquet, block-on-end, maple and oak.

**For Use By:** Schools, hospitals, contractors, nursing homes, churches, hotel/motels, etc

### DIRECTIONS

Damp mop floors with waterless cleaner. Use heel of the mop on stubborn spots. Removes rubber marks, black marks, spots, soft drinks, adhesive and other contaminants from floor surface. Wood Kleen will also soften gum so that it may be removed with a putty knife.

**To Clean before re-sealing:** Pour Wood Kleen directly onto the floor and scrub with a buffer equipped with a synthetic floor pad. Pick up the dirty solution with a wet vac. Mop the floor after dirty solution is picked up to allow for a streak free floor. Floors can be resealed with a solvent-based finish after cleaning with Wood Kleen.

### PRECAUTIONARY STATEMENTS

**Prevention:** Keep away from flames and hot surfaces. No smoking. Wear protective gloves/eye protection/face protection. Wash hands and exposed skin thoroughly after handling. **Response:** In case of fire: Use water fog, foam or carbon dioxide (CO<sub>2</sub>) to extinguish. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention. IF SWALLOWED: Immediately call a POISON CENTER/doctor/medical professional. Do NOT induce vomiting. **Storage:** Store in a well-ventilated place. Keep cool. Store locked up. **Disposal:** Dispose of contents/container in accordance with local/ regional/national/international regulations.
