■ ADDITIONAL INFORMATION

If you need additional information, please contact our corporate office at 816-471-3602. For a Material Safety Data Sheet go to www.chemicaluniverse.com.

■ DIRECTIONS

Remove all gross food particles/soil from areas to be cleaned with a good detergent, pre-flush, pre-soak or pre-scrape treatment. Rinse with potable water rinse.

After pre-cleaning, prepare a solution by adding 2 ounce of product to 1 gallon of water. Prepare fresh solution daily or with more frequent use. For mobile items such as drinking glasses and eating utensils, immerse completely in solution for a least 60 seconds. Remove items, drain from surface and air dry.

POTABLE WATER RINSE IS REQUIRED.

■ SAFE STORAGE & HANDLING

Storage And Disposal: Do not contaminate water, food or feed by storage or disposal. It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. KEEP OUT OF REACH OF CHILDREN. CORROSIVE. Can cause eye damage and skin burns. Do not get in eyes, on skin or on clothing. Harmful if swallowed. Wear goggles, rubber gloves, and protective clothing. Remove contaminated clothing and wash before reuse. Wash thoroughly with soap and water after handling.
