- Appearance:** Green Liquid
- Specific Gravity:** 1.01
- Odor:** Citrus
- Ph (Conc.):** 10-11
- Flash Point:** >212°F (100°C)

PACKAGING

5 gal, 15 gal, 30 gal, 55 gal

ABOUT THIS PRODUCT

A premium nonionic laundry detergent excellent for cleaning synthetic and natural fabrics. Penetrates stains and promotes emulsification of oily soils.

APPLICATIONS: Recommended for use with automatic laundry equipment in: hotels, motels, hospitals, nursing homes, commercial laundries, restaurants, and other on-premise laundries.

General Purpose: Ideal for many types of industrial and institutional laundry. Will not harm any water washable fabric.

Effective On Oily Soils: Special surfactant system provides excellent cleaning action against oily and greasy soils.

Brightens Fabrics: Optical brightener renews brightness of whites and colored fabrics.

Liquid Concentrate: Mixes readily and goes to work immediately. Will not clog or cake up on automatic injectors.

Hard Water Tolerant: Performance and rinsability are unaffected by moderate levels of water hardness. Water conditioning agents help prevent the deposition of dulling, graying film on fabrics.

DIRECTIONS

Use Detergent at the following dilution rates:

Light Soil: 3 oz. per 100 lbs. of laundry

Medium Soil: 4 oz. per 100 lbs. of laundry

Heavy Soil: 6 oz. per 100 lbs. of laundry

This product is designed to be used with a separate alkaline break.

PRECAUTIONARY STATEMENTS

Prevention: Wash hands and exposed skin thoroughly after handling. Wear protective gloves. Wear eye protection/face protection. **Response:** IF ON SKIN: Wash with plenty water. Specific treatment (see Section 4 on the Safety Data Sheet). If skin irritation occurs: Get medical advice/attention. Take off contaminated clothing and wash it before reuse. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTER/doctor/medical professional.
