

# Non-Acid Restroom Cleaner

**STRONG, SAFE NON-ACID CLEANER**

## PHYSICAL PROPERTIES

- Appearance:** Green Liquid
- Specific Gravity:** 1.01
- Odor:** Fresh
- Ph (Conc.):** 10-11
- Flash Point:** >385°F (196°C)

## PACKAGING

12X32 oz, 4X1 gal

## ABOUT THIS PRODUCT

Earth Worx Non Acid Restroom Cleaner is a strong yet safe multi-use cleaner that has the strength of an acid cleaner but it much safer for the user. Earth Worx Non Acid Restroom Cleaner is formulated to safely and effectively remove scum, alkali build up, soap film and hard water. Use Earth Worx Non Acid Restroom Cleaner on sinks, toilets, partitions, shower stalls, drinking fountains, tile and grouted floors.

Earth Worx products are formulated with ingredients designed to reduce exposure to potentially harmful chemicals. Earth Worx products offer a healthier environment for building occupants, visitors, and cleaning staff while reducing the negative impact on the environment.

Earth Worx Non Acid Restroom Cleaner can be used full strength when necessary but should be diluted with water for most cleaning tasks. Product should be diluted depending on the application, the surface and the severity of the soil.

## DIRECTIONS

Typically product should be diluted at a rate of 8 ounces per gallon of water. Spot check hidden area of surface to be cleaned first to see if product strength should be increased or decreased.

Apply product and let stand for a few minutes. Wipe with cloth, sponge or swab and rinse thoroughly with clean water. Avoid contamination of food in the use and storage of this product. Surfaces subject to direct food contact must be rinsed with potable water.

**Caution:** This product should not be used on marble. Test on an inconspicuous area, if uncertain.

## PRECAUTIONARY STATEMENTS

**Prevention:** Wash hands and exposed skin thoroughly after handling. Wear eye protection/face protection. **Response:** If skin irritation occurs: Get medical advice/attention. **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention.
