

Metso

HEAVY DUTY ALKALINE CLEANER

PHYSICAL PROPERTIES

Appearance: White Powder
Specific Gravity: 1.42
Odor: Citrus
Ph (Conc.): 12-13 (10% solution)
Flash Point: N/A

PACKAGING

40 lbs, 100 lbs, 400 lbs

ABOUT THIS PRODUCT

Metso is a heavy-duty alkaline cleaner designed for removal of heavy soil, grease, waste deposits, fats, protein, and blood. Metso is a blend of alkaline detergents and builders designed for use on concrete floors, stainless steel, steel, galvanized metal and other hard surfaces. For use in dairies, bakeries, seafood processing plants, wineries, vegetable processing plants, bottling plants, red meat and poultry processing plants, institutional kitchens, breweries, super- markets, egg processing plants, and restaurants. Effectively removes grease, sugars, syrups and vegetable oils from scale, slicers, mixers, choppers, saws, dough blenders, vats, transfer lines, and conveyers.

DIRECTIONS

Manual -Dissolve 1/2 to 1 cup of powder into 5 gallons of hot (140°F) water. Apply liberally to all surfaces and allow to soak up to 5 minutes. Reapply and scrub with nylon brush or pad as necessary to remove soils. Rinse thoroughly with hot, high-pressure spray.

NOTE: Due to alkalinity content, rubber gloves and eye protection should be worn to avoid irritation.

Pressure Or Steam - Dissolve 2 cups of powder per gallon of hot water (140°F.) in premix tank. Inject into pressure washer at a ratio of 1 part detergent to 16 to 32 parts water (160°F.) Apply liberally to soiled surfaces. Allow to remain on surface for 5 minutes, then clean with pressure. Rinse thoroughly with hot water.

PRECAUTIONARY STATEMENTS

Prevention: Wash hands and exposed skin thoroughly after handling. Do not eat, drink, or smoke when using this product. Do not breathe dust or mists. Wear protective gloves/protective clothing/eye protection/face protection. **Response:** IF SWALLOWED: Immediately call a POISON CENTER/doctor/ medical professional.
