

PHYSICAL PROPERTIES

Appearance: Thick White Liquid

Specific Gravity: 1.0

Odor: Citrus

Ph (Conc.): 5-7

Flash Point: >385°F (196°C)

PACKAGING

12x32 oz, 4X1 gal

Cream Cleanser

MILD ABRASIVE CLEANER

ABOUT THIS PRODUCT

Cream Cleanser is a mild abrasive cleanser designed for tough cleaning jobs. Use it on showers, counter tops, bathtubs and tile walls and floors to remove stubborn stains and soils.

Cream Cleanser will remove spots, scuffs, mildew stains, water deposits, soap scum and grease accumulations with just a light rubbing action.

Cream Cleanser is safe to use on all kinds of surfaces, including: glazed porcelain, glazed ceramic, chrome, Formica, fiberglass and other hard, inanimate, non-porous surfaces that are not easily scratched or harmed by mild abrasive cleaners.

Recommended for cleaning those tough-to-remove soils and stains in schools, manufacturing plants, hotels, motels, hospitals, nursing homes and institutional settings.

DIRECTIONS

Squeeze directly on surface or on wet cloth, sponge or brush. Loosen soil with rubbing action. Rinse. For a bright shine, polish with a soft, dry cloth.

PRECAUTIONARY STATEMENTS

Response: If skin irritation occurs: Get medical advice/attention.
